Bidders shall quote for all items and quantities in Annex 1. Any proposed alternative or deviation must be clearly identified. Submissions that are incomplete or materially non-compliant may be rejected.

SECTION 4. SCOPE OF WORKS

4.1 Supply requirements

The supplier shall provide the items, quantities and stated requirements in Annex 1. All items shall be new, unused and suitable for the intended restaurant use. The bidder shall identify the make, model, key technical details and warranty offered for each item. Food-contact items shall be suitable for food service and safe for their intended use. The quantities in Annex 1 are the required quantities. Bidders must not substitute a different quantity. Where an item is listed as a set or lump sum, the bidder shall describe what is included in the offer.

4.2 Delivery, installation and arrangement

The supplier shall deliver all items to Istanbul Village Market, Kismayo, Lower Juba, Somalia. The quoted prices shall include suitable packaging, transport, offloading and all other costs required to deliver the goods to the site. Installation is required for the 65-inch television and wall-mount bracket. The supplier shall assemble or install other items where needed for their safe use and as specified in Annex 1.

4.3 Inspection and handover

GIRD will inspect the delivered goods against the approved offer, quantities and specifications. The supplier shall replace or correct, at no additional cost, any item that is damaged, incomplete, defective or does not meet the agreed specifications. Handover shall include applicable manuals, warranty documents, accessories and a demonstration of equipment operation where relevant.

4.4 Warranty and after-sales support

The bidder shall state the warranty period and coverage for each applicable item and describe how warranty claims and after-sales support will be handled in Kismayo. Any exclusions, service charges or spare-parts limitations shall be disclosed in the proposal.

SECTION 5. PROPOSAL EVALUATION

GIRD will evaluate proposals in the following stages:

GIRD will evaluate proposals in the following stages:

Administrative review	Confirm that the required documents listed in Section 3 have been submitted.
Technical evaluation	Assess compliance with Annex 1, suitability of the offered items, product information, warranty, after-sales support and proposed delivery lead time.
Financial evaluation	Review the completed priced schedule for all items, quantities, arithmetic accuracy and overall value for money.

GIRD may seek clarifications and verify bidder references. The contract will be awarded to the bidder whose submission meets the tender requirements and offers the best overall value, subject to GIRD approval and contract finalisation.

SECTION 6. CONTRACT CONDITIONS

- The delivery location is Istanbul Village Market, Kismayo, Lower Juba, Somalia.
- The bidder shall state its proposed delivery lead time. The final delivery schedule will be agreed in the contract.
